

Darrel Kingan BSc (Hons) C Eng MICE

Civil Project Manager, Project Services
Airport Authority Hong Kong

Darrel is a chartered civil engineer with 19 years experience in construction and project management. Further to graduating from Loughborough University he worked for contractor Taylor Woodrow Civil Engineering Ltd for 7 years on projects such as Canary Wharf and Sizewell B Nuclear Power Station in the UK.

He moved to Hong Kong in 1995 and joined the Airport Authority and worked on the construction of the Passenger Terminal Building (PTB) followed by the claims resolution/ mediation. Since the airport opening he has been involved with the project management of the North West Concourse/ East Hall Passenger Terminal Building extensions, AsiaWorld-Expo, Tradeport Logistics Centre and DHL Cargo Terminal construction projects. He is presently managing the civil works related to the SkyPlaza Building and SkyPier tunnel and extension projects.

He is a committee member also responsible for the Risk Management SIG.
